If possible, I really wish that I could stay by Lucas' side until he is fully recovered.
Bleeding so much must have made his body weak...
He certainly did, since he has wounds all over his body.
Lucas
Did he fall asleep?
But... probably that is impossible.

BAM!
The girl called Aciel,
is that you?
A dark...
Giant...
Yeah
it's me

Editor's Note
There were black and white race eunuchs, the black ones had a higher rank. The Chief of black Eunuchs was ranked only under the Vizir
Ali Halim
I'm the harem's Chief Black Eunuch.
I'm here by the order of His Majesty Sultan Suleiman,
to come pick you up.
scene. 30
Eastern Kingdom 8
Is it...
time?
I under stand

There is no need for that,
just come with me like that.
Give me a minute to pack my luggage
You already are His Majesty's slave
It is now my responsibility, the one who exercises control over the harem, to take care of all your problems
Slaves don't have to bring anything, nor do they have any freedom, you shall not make me wait
You are no longer a noble or a knight.
When I order you to go right, you cannot go left,
If I want you to drink, you must obey even if you're to going drink poison
That is how it is,
to be a slave of the harem

I have to change how I think
to meet your expectations
I see, I will do my best,
From now on, I will resign myself to your guidance,
Ah Hahm
Smile
!
Thump!
Thump!
You can only show that sort of suggestive smile to His Majesty
Him um..
cough cough
Suggestive?
We eunuchs were originally men too
Don't behave in a way that will lead us to chaos
I understand
Is that what it's like...
To head into the abyss?

Team Zica Credits: *Zilvere* scanned.
I don't even have the right to smile freely?
Let's go
It is really the deepest place of the abyss
I under stand
...

I wish that you can forget about me soon, and live a merrier life than anyone else's.
Forget about me soon!
I love you...
Lucas, I love you.
I will think of you, who I can never meet again, every day in hell.
However, Lucas...

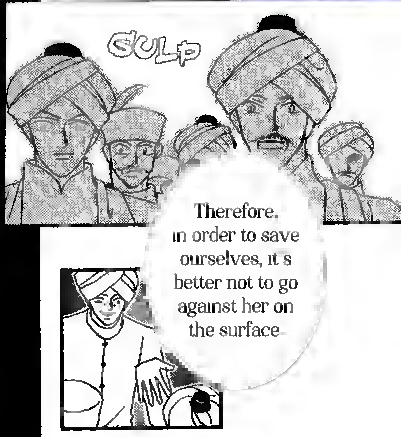
Though these words will never reach you.
I love you,
Lucas.

HI PPA...
SFX: HEAVY RAIN!
Yeah, the Chief black eunuch, Lord Ali Hahm,
brought in a woman
Huh? That fast?
The knight from Malta Island has entered the harem!
That girl is a beauty, isn't she?
Hey hey, don't take pleasure in other's suffering
It's becoming a great chatting topic!
The news are definitely going to spread quickly inside the Christian World
I've already told the white merchants on the streets!
If the child she gives birth to is a prince, and if His Highness Selim encounters a mishap...
The prince that woman gives birth to also has also a chance to be the Sultan
and if she has His baby, she will be raised to the position of a "second wife"
Then, becoming one of the "lucky ones" beside His Majesty is only a matter of time,
Though I shouldn't say this loudly, but...
I only had a glance!
Yeah!
She's an incredible beautiful lady!
Soon she will be come number one in the harem!

Team Zica Credits: ***Akanenaokiki*** translated. Thank you! <3

Those people...
How dare you talk about my Aciel so casually?
I'm gonna kill them!
Don't be impetuous, Hercules,
we have finally sneaked into the palace!
Those talks among the inferior officials are also precious intelligence
There's no time left!
Aciel has entered the harem today, it is just a matter of time before the Sultan lays his hands on her...
Loue Rene and Sabour will probably get to sneak into the harem,
wait until them two get into the harem and meet with Aciel, then we can plan how to make them escape from there

Then, the once unlucky female knight,
could possibly become the "Valide Sultan"* just like that
...
Sh... shit!
Editor's Note
"Valide Sultan" was the higher rank that a woman could get in the Otoman Empire comparable to Queen Mother

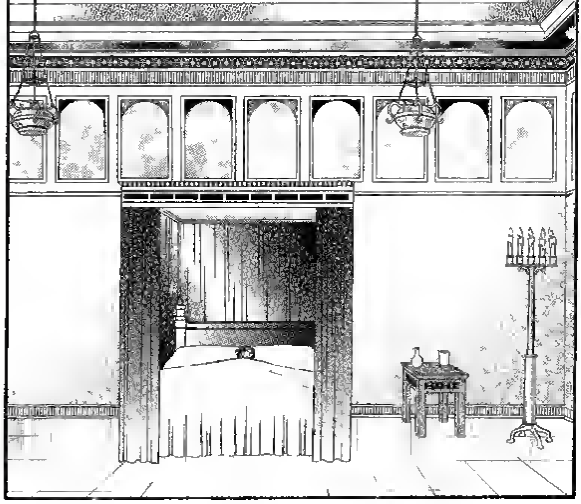


GULP
Therefore, in order to save ourselves, it's better not to go against her on the surface

Uncle Juan, Augustine, Lorenzo,
You three split up and go look for Lucas and my brother.
...
Defi nitely NOT!
We can't let that happen!
What what do you want to do?
Senior...
Hercu les...
I'm going to
Keep Suleiman away!

Captain,
there are two christian women...
What's happening? There's so much noise at the back door!
Open the door!
BAM BAM BAM
Please!
BAM
Please open the door!
To meet with our sister who was sold to the harem!
I beg you guys!
Please let us in!
Why don't we trick them into the harem by pretending to let them meet their sister and then sell them to Chief Ali? Sounds good!
The two of them are both fine "goods"!
Aren't they, captain?
Oh... beauties!
Good idea, leader!
MUMBLES
WHISPERS
JUST ONCE IS FINE!
PLEASE!
We'll split the money into ten shares, I'll get seven of which
Before that...
We heard that she was captured by the pirates and was sent to the Turkish harem!
As soon as we heard the news, we hurried ourselves here from the faraway France...!

That's great, it's just like your divination, Sabour!
We successfully sneaked into the harem!
Shhh, Louie Rene!
We mustn't be careless, what happens next is the real problem
!!
Fine, I'll let you girls meet her, come with me
Right... since we don't have enough time, this is as far as my divination can predict.
Louie Rene, Hercules, Augustine, Captain Juan, Lorenzo and I...
I have no idea what will happen after that...
However...
My divination says that six persons will be able to succesfully sneak into the palace...
Or maybe ...
Or will someone lose their life?
And escape safely from this country?
Will we be able to take Aciel, Lucas and Lord Daniel out of here...
No!



I can barely open my eyes

My body... is so heavy...

The duel ...?!

I certainly destroyed Dragut's right arm...

Even if he duels against Aciel, she will not die ..

I have to get back soon...

I have to get well soon...

With Aciel..

I must go back to Malta Island...

What I need to think about right now, is how to safely bring everyone back to Malta Island!

I lost consciousness while I was fighting against Dragut halfway through the duel...
Why...
Why am I still alive?
Why...
Ouch..!
SFX: GET UP!
Why didn't he give me the last blow?

Team Zica Credits: ***Andy*** proofreaded. Thank you!

I can't tell him...
I don't know what he's gonna do if I tell him the truth...
She's in the Harem!
That
...
I beg you!
Please tell me
Princess..?
Does he mean Aciel?
You...
Do you know where Aciel is?
!!
OTEN
L-Lu-casss!
You!
Long time no see!
It's good to see you alive, Lucas
Hey!

Brought into the harem.
Then... what are we going to do now?
Aciel was...
Lucas
Listen to me calmly.
What the heck are you doing here?
She made a deal with Sultan Suleiman
!!
Easy, easy
The details can be explained later
To save you from losing your life to Dragut,
the Sultan proposed a deal to Aciel
Which was to make her give up her status as a knight and enter the harem as a female slave

And she did it...
to save my life...!?
Then in the end
I... I did it.
for whose sake...?
Lucas
Why did I challenged Dragut to a duel?
Aciel...!
I did that in order to protect you!!!
Aciel gave up her status as a knight...?

The free Aciel.
Disobeying the gender that God gave you...
Because of her untrammelled, innocent and bright temperament that I fell in love with her.
The first woman who I love unconditionally, for the first time in my life.
However, in order to save me,
she has to live inside a bird cage for the rest of her life.
In exchange for my life with such conditions, will I even be able to live on peacefully?

Lucas
Lucas
...
Don't joke with me!

Stop! You're being too reckless!
Lucas...!
Where are you going
In that condition?
What? Give me my clothes!
I have no choice but to go!
Like that...
That kind of life, I don't want it!
I'm going to talk to Suleiman directly
I will make him give Aciel back to me!

Team Zica Credits: ***Rbliss*** typesettedd. Thank you!

Aciel is
my
woman.

The guards here have a much fancier uniform than the other ones.
It must be this room!
Who's there?
Hey!
I'll go check
I think I heard some thing
Suleiman must be inside here!
KNOCK!
WHACK
UWAH
TMP
Huh?!
What hap-pened?

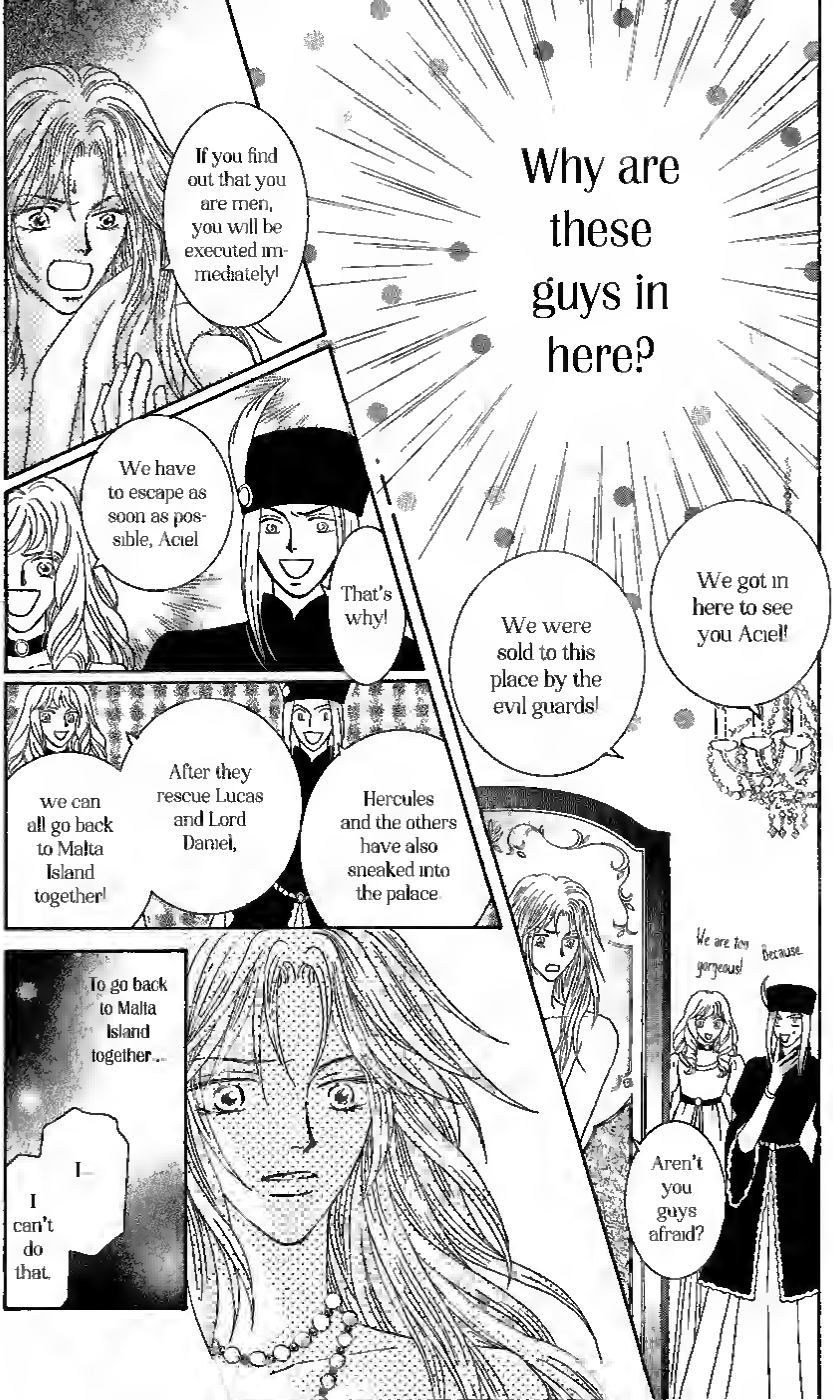
Wah hh!!!
PUNCH!
WOOSH
KNOCKED OUT...
I stole the clothes
As usual
Sultan Suleiman should be here...

Suleiman, don't you dare touch even a strand of Aciel's hair!
You deserve it, stupid old man!
Are you here?
You're here, aren't you, Suleiman?!
Come out now!
Is the same as saying he is the heart of the Turkish Empire.
If I could capture him and take him as hostage,
I could release Aciel, Lucas and my brother at the same time by trading him back.
I'm such a smart guy.
...
Hercules?

Hercules
Is that you?
Brother!!

What?
The new one has been summoned right now?
Jolly, huh?
there are people who have been here for 30 years and are yet to be summoned.
Certainly, the faster you're summoned the better it is,
This quick-ly!?
What happened?
Go change into the night clothes quickly,
His Majesty requires you at once
Wo-men!
Come and help the "lucky one" to get changed!
I'd rather be the latter
The sun isn't even down yet.

She didn't even greet us!
She just came in today!
It's that woman!
Murmurs
Help her out!
We will...!
What's with these women, they have such malicious aura.
I was always popular among women, but...
Not cute at all
annoyed
Those voices...!
Hello, Ms. "Lucky one"!
!!

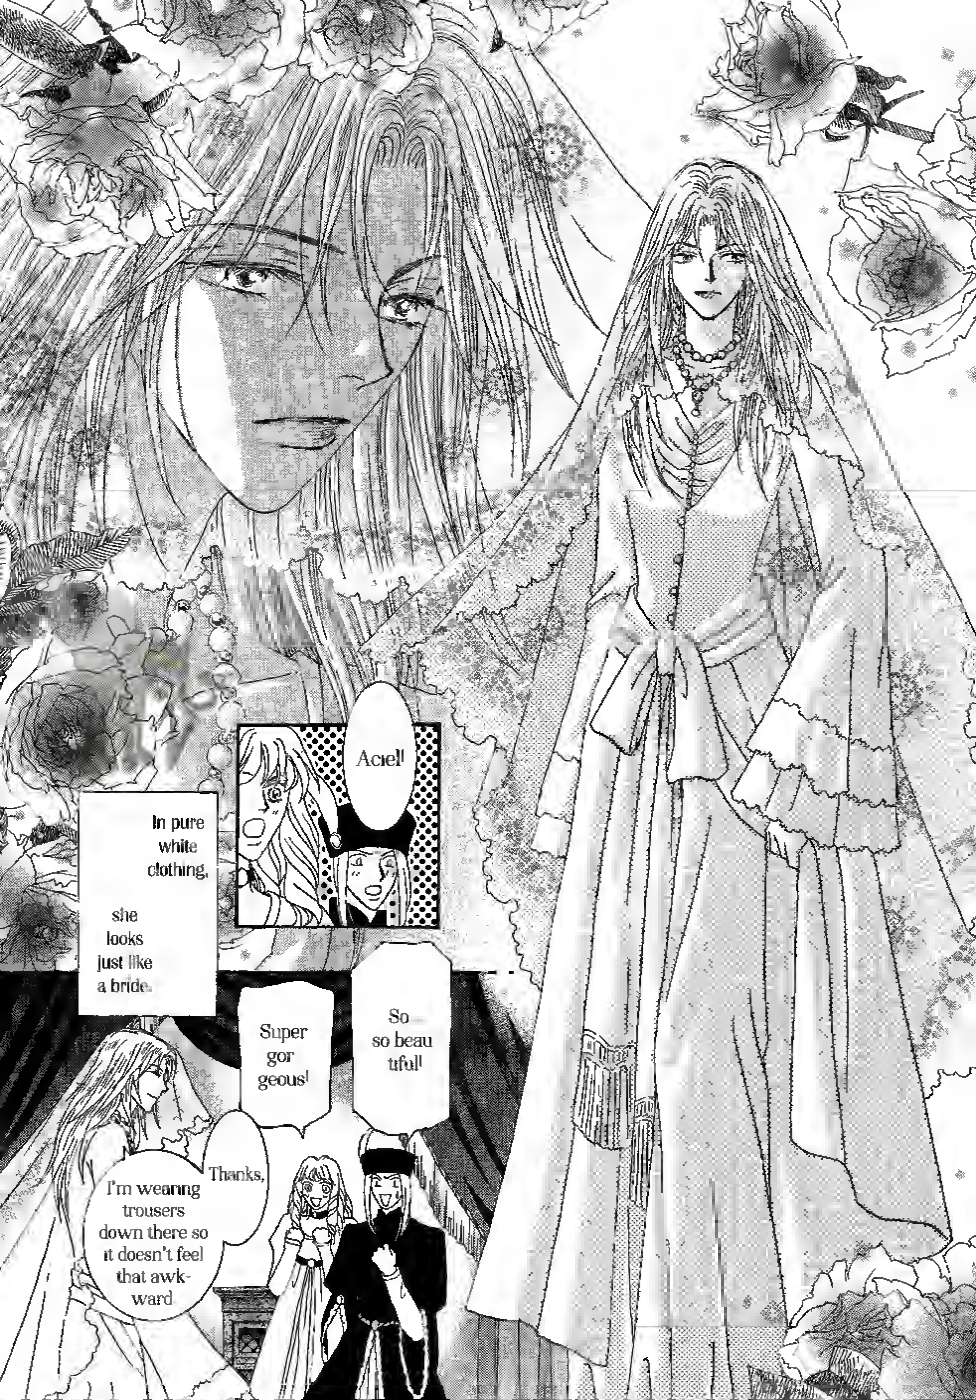


If you find out that you are men, you will be executed immediately!
Why are these guys in here?
We have to escape as soon as possible, Aciel
That's why!
We were sold to this place by the evil guards!
We got in here to see you Aciel!
we can all go back to Malta Island together!
After they rescue Lucas and Lord Daniel,
Hercules and the others have also sneaked into the palace.
To go back to Malta Island together...
I— I can't do that.
We are too gorgeous! Because...
Aren't you guys afraid?

Team Zica Credits: *Carola* cleaned.

I made a promise to Sultan Suleiman,
I cannot break it.
Aciel..
Why...
This is the last promise I made with someone,
while I still held the status of a knight.
I cannot break it.

Are you ready?
The new-comer!
BAM! BAM!
Aciel
A...
I'm sorry, both of you risked your lives to save me
After I get out,
you two have to quickly escape!
TAP
I'm really happy
Suleiman saved Lucas' life...
Hence this promise was made on my own life too.



Aciel!
In pure white clothing,
she looks just like a bride.
So... so beau tiful!
Super gor geous!
Thanks, I'm wearing trousers down there so it doesn't feel that awk- ward

The two of them...
are so much in love with each other...
Aciel you can't leave like this!
Lucas is still waiting for you!
The new-comer!
I'm leaving!
I do.
I love Lucas
You guys escape right after!
Why!? How this can be!?
Ali Halim
Address me as Master of the Girls, Lord Ali Halim

"Lord Ali", we have been walking for quite a while, aren't we outside the harem already?
Yeah, this time is actually an exception
Don't omit Halim
However, we are heading to the room that his majesty ordered us to,
so rest assured since you have done nothing wrong
Here we are
This is the room
You'll stay here and serve His Majesty!
No matter how reluctant you are,
you still have to serve His Majesty with sincerity,
Aciel

I witnessed the duel at the front yard...
As well as saw Aciel's when she begged for her lover's life.
The honourable and proud knight
And that happened just this morning.
Female knight
Live strong,
If you let His Majesty patronise you,
you can even order me as you wish
Ali Halim...
From now on you'll have to live in this birdcage for the rest of your life.
it's better for you to put some effort on making your environment easier and more comfortable
"Lord Ali".
Thanks for your advice
Do your best!
Now I'll go

Dragut!

Malta Island Night Guard's Diary (9)
This is a story that happened at the first night when Aciel and Lucas arrived to Turkey
Phew... the celebrating banquet has finally ended
It was so lavish! My shoulders are so stiff right now
Aren't you exhausted as well, Aciel?
Go back to your room and rest soon
There's a bath room! ♡
Heh?
THEY PREPARED THE BATH-ROOM!
AND IT'S A ROSE BATH!!!
How stunning...
Is this also one of First Vizier Sokullu's cordial welcomes?
That man really loves to create an atmosphere
Smells so nice!
HAPPY
It brightens up the mood! ♡

Help you with your bath!
We are here to...
OPEN!!
Sir Lucas!
Sorry for the intru sion...
Thanks for the First Vizir's hospitality!
We accept your kind- ness,
and so please leave
so bright...
So NOT romantic
huh ?
SUCH A PITY!
...!
The Vizir is a lavish man!
Look at how he has gone beyond the budget,
and sent us these three busty beauties to serve us...
It's not the time to feel touched, Aciel...
Let the three of us help ease your exhaustion that piled up during your journey!
First of all, let us take off your clothes for you...
Heke! ♡
♡

Does she want to quarrel?
I just confessed to her this morning, what is she thinking?
What a pity
To let the Turkish beauties with huge boobs help you bathe,
Is such a rare opportu nity...
Who is more attractive than you!
Because to me, there is no other woman...!
It's not a pity at all!
Don't be shy, Lucas!
WHAT?
To a man who you just rejected this morning?
Let's go to the rose bath together!
Then, let me wash your back for you, okay?
Aciel's hospitality was refused as well.
Aciel's innocent intention continued to make Lucas super perplexed that night.
